

## Report | Immersion Program | Tuesday & Wednesday | 16th & 17th Apr 2024

### About the Event

Bioincubation Practice School at BRBC organized an immersion program for managers of bioincubators on 16 & 17 Apr 2024 in offline mode at Venture Center campus, Pune. This program was intended on helping managers of new bioincubation centers structure their programs into effective ecosystems that would play a critical role in long term sustenance and functioning of an incubator.

In collaboration with

## Session Description

### DAY1:

The first day of event began with an introduction and tour of Venture Center. The adjoining sessions of the day included topics like legal structure, incubator model, focus areas & designing ecosystem along with a special talk on understanding key sections of BioNest application form by Dr. Chhaya Chauhan (Sr. Manager, Incubation, BIRAC). The proceedings of the day concluded with a tour to Pune's historical places & dinner facilitated by the participants.

### DAY2:

The second day of event included some key sessions on creating incubation pipeline and mentoring, Managing Scientific Facilities & Raising money for incubators, sustainability, funding schemes (NIDHI, TBI, AIM), amongst many other sessions.

<b>Please provide your feedback/suggestions for the workshop</b>			
Good			
Please invite us for advance level of immersion program.			
It was very much informative and excellently organized. Thanks to all for giving your time and sharing your experiences and knowledge with us.			
Insightful sessions.			
It could have been a three day program of the time was a constraint.			
Such a beautiful program for us to know how the multiple vertical run parralley and help each other to achieve the goal of centre			
1. Some hands on activities can be included in session. 2. Drafting of proposals for funding agencies can be included			
The Immersion Program was well organized and all relavent areas related to management of incubators were covered adequately. The discussions enabled better understanding and further insights into the topics.			
Nicely structured sessions			
Immersion program was quite very eye opening session for me.			
Please make sure to invite to Advance Level of Immersion Program.			
It was very informative and useful.			
The Immersion Program for Managers of Incubation Centers stands out as an exceptional initiative. I appreciate the sessions for their rich content and excellent networking opportunities. Each session led by an expert was enlightening and engaging. The tour was well-organized, and I thoroughly enjoyed the experience. The content provided will undoubtedly help us reflect on our current efforts and consider future possibilities. My heartfelt thanks to the entire team for facilitating such a valuable learning experience. I would like to extend special appreciation to Premnath sir, Soma mam, Meghana, and Vinit for their steadfast support. Looking forward to the possibility of meeting you all again in the future.			
The program demonstrated a well-structured approach. Most insightful and eye opening sessions.			
<b>Did you enjoy the Pune Tour ?</b>

Excellent organised program			
Please invite us for advance level of immersion program.			
Looking forward for guidance and support from venture centre to build innovation and entrepreneurship culture at our place.			
As shared above.			
Wish you to start Version 2 to get in-depth knowledge of every segment			
It can be organized for 3 days			
-			
Thank you			
We would definitely be in touch with venture Center by one or other means.			
Please make sure to invite to Advance Level of Immersion Program.			
it was too short to cover many things.			
Summer-ready, medium-sized water bottle.
